

## CALL SCRIPT

Hello, my name is Julie Shaffer and I'm the owner of Shaffer's BBQ & Market in Middletown, VA. We are a locally owned, small family business that employs 15 people. As you know, it has been challenging two years for our industry. We would love to have Senator Vogel visit our business and hear about the issues we are facing. Can you please let me know who I should contact to formally extend an invitation?

Thank you for your time, and I look forward to working with your office. I will follow up with an email now.
